TOPCLOUD NEW CUSTOMERS

Please note that at the end of the test period all data in the TopCloud trial and in the TopCloud backup will be deleted permanently. Should you require the data at the end of the trial, we ask that you save it in a timely manner. conova does not assume responsibility for your servers and data during the TopCloud trial period. Requests for the trial period made up until 3 days prior to the end of the offer will go into operation.

TOPCLOUD RESOURCE EXPANSION FOR EXISTING CUSTOMERS

The customer must remove the resource extensions for existing servers when the test run expires. conova reserves the right to remove the resources themselves at the end of the trial period without prior notice at the customer's expense or to bill this action if necessary.

☐ We confirm the accuracy of this information and commission conova communications GmbH to carry out the above mentioned services.

☐ I agree that my person data (master data, email address, telephone number) may be processed by conova communications GmbH for the purposes of providing the trial run and to carry out pre-contractual measures (see www.conova.com/en/privacy-protection)
