# TOPCONNECT FOR MICROSOFT AZURE EXPRESSROUTE

YOUR PRIVATE CONNECTION TO MICROSOFT AZURE EXPRESSROUTE IN AUSTRIA

With the Cloud Region Austria "Austria EAST", Microsoft is for the first time offering a Microsoft Cloud that is operated entirely within Austria. With TopConnect for Microsoft Azure ExpressRoute you receive a dedicated private connection to Microsoft Azure in Vienna. It is characterized by low latency and a direct SLA with Microsoft. conova takes on the operation with their usual high quality and, upon request, can take over the routing.

Highlights at a glance

- Direct WAN connection to Microsoft Azure from anywhere in Austria
- The ideal foundation for leveraging powerful Azure technologies and Microsoft services (Microsoft 365, Dynamics 365, Power Platform)
- Low latency due to geographic proximity and high data throughput
- Private, encrypted connection
- Direct Service Level Agreement guarantees from Microsoft
- Can be combined with other conova and public cloud services
- Perfect for hybrid scenarios (on-site, conova & public cloud services)

YOU CAN CHOOSE FROM THE FOLLOWING 3 OPTIONS TO CONNECT TO THE MICROSOFT CLOUD REGION AUSTRIA EAST:

ON-PREMISES AUSTRIA EAST
- Direct connection from your site to the Microsoft Cloud Region Austria EAST
- Low latency thanks to geographic proximity

DATACENTER AUSTRIA EAST
(SINGLE + METRO*)
- Hybrid cloud solution
- Encryption between data center & PoP
- Ideal for existing customers

DATACENTER DEDICATED AUSTRIA EAST
- ExpressRoute Direct / direct port to Microsoft router
- End-to-end encryption

*) Location-redundant; corresponds to the Microsoft ExpressRoute Metro connection variant.
[1] SLA Economy included, SLA Business and First Class (24/7) optional – see SLA data sheet
[2] Includes 2 virtual routers. Price valid for the Datacenter Austria East and Datacenter Dedicated Austria East options. Pricing for On-Premise Austria East available upon request.
Notes:
- Minimum contact period of 36 months.
- Get your Microsoft Cloud licenses from conova now. As a Microsoft Cloud Solution Provider Direct (first tier), we now offer everything from a single source. With contracts made with a minimum 12-month term, we grant you discounts on Microsoft Azure and Microsoft Office 365 licenses. Billing takes place dynamically according to use.
- Public cloud provider charges the costs for cloud connectivity directly to the end customer. If you are already a public cloud account holder, you can configure the services directly in the portal. We would be happy to assist you or take over the setup for you.

Further options can be found in our current price list.
