

TOPBACKUP FOR MICROSOFT AZURE

EASY, FAST AND SECURE RESTORE FOR AZURE WORKLOADS

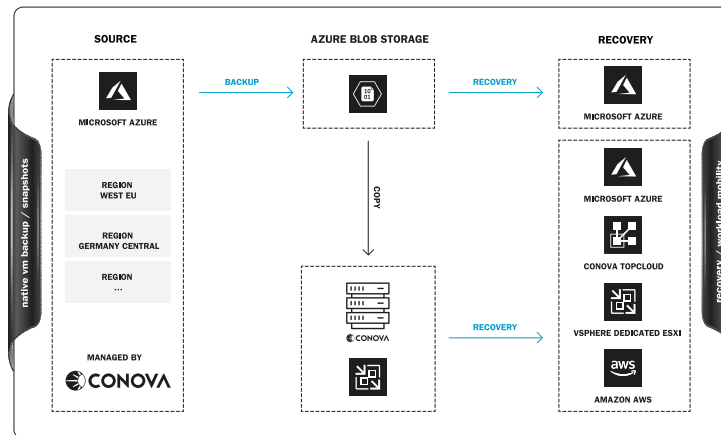

TopBackup for Microsoft Azure offers a restore and backup solution for your Azure workloads. It allows you to efficiently and securely protect against data loss in just a few short minutes. Your data is backed up on Azure Blob Storage and our specialists can simultaneously use workload mobility to transfer the data to one of our certified conova data centers where they can be restored if necessary. You can choose between Microsoft Azure, our TopCloud or alternatively, Amazon AWS.

Highlights at a glance

- Backup of your selected Azure workloads
- Avoid cloud lock-ins using workload mobility
- Backup to Azure Blob Storage
- Optional: Copy of your data in one of the conova data centers
- Adherence to security regulations and compliance requirements
- Operated by certified conova specialists
- Encryption of backups available
- Backup via Snapshot optional

With TopBackup for Microsoft Azure, you are getting another software-as-a-service solution from conova. Unlimited storage is available at any time in our conova data centers.

TopBackup for Microsoft Azure	Set-up costs (one-time expense)	Price per month
Basic package incl. backup for 1 server in Azure Blob Storage	upon request	upon request
Each additional server in Azure	- 1)	upon request
More selected Azure workloads	- 1)	upon request
Options		
Copy in one of the conova data centers	- 1)	upon request
Backup-Space per TB per month	- 1)	upon request

¹⁾ In the event of retroactive order, the set-up costs will be charged according to the price list.

Notes:

- Minimum contract period of 36 months.
- The costs for the Microsoft Azure VMs and associated services (see also <https://azure.microsoft.com/de-de/pricing>) are not included in the above mentioned costs. Billing can be handled via conova, an existing partner or directly.
- Get your Microsoft Cloud licenses from conova now. As a Microsoft Cloud Solution Provider Direct (tier first), we offer everything from a single source. With contracts made with a minimum 12-month term, we grant you discounts on Microsoft Azure and Microsoft Office 365 licenses. Billing takes place dynamically according to actual use.

Further options can be found in our current price list.
